

"To promote, encourage, and facilitate in a harmonious and inclusive manner all recreational aviation activities with an emphasis on education, safety and fellowship."

Upcoming Programs

Gary Arms, Program Chairman

Tuesday, November 7: Carol and Brian Carpenter of Rainbow Aviation/Adventure Aircraft will present a webinar on the EMG-6 electric motor glider. The annual elections for Chapter Officers will be held at this meeting.

Tuesday, December 5: Annual Christmas Party.

Upcoming Events

Saturday, Nov. 11: Race to Ridgeland, 9 a.m. – 3 p.m., Ridgeland/Claude Dean Airport (3J1) -

The "Race to Ridgeland" fly-in at Ridgeland Claude Dean Airport [3J1] will occur this year on Veteran's Day, Saturday, 11 November 2017 with events beginning at 9:00 am. The Race to Ridgeland is free to all attendees and is a traditional county airport/local style fly-in conducted to promote and celebrate grass roots aviation. The "R2R" will feature a light aircraft race, spot landing contest, helicopter candy drop for kids, radio control model aircraft flying, and much more. Food and drink will be available for sale but otherwise, there will be no charge for attending. Regional aircraft owners and pilots are genuinely encouraged to fly in and to participate in any and all of the scheduled events. The public is invited but is of course, advised that children and pets must be kept under full parental control at all times. Scheduled events will be conducted until 3:00 pm but flying and aviation camaraderie will of course continue until the departure of the last aircraft.
